ABOUT ME

Hello there! I'm Eisenpol Manalo, a passionate UI/UX Designer currently immersed in the world of Information Technology at Rizal Technological University. I believe in the power of design to shape meaningful user experiences that seamlessly blend functionality and aesthetics.

EXPERIENCE

- 2022 - 2023
UI Design & System Development
Led the design initiative for a mobile application project, crafting an intuitive user interface, and website design prototype. Implemented a streamlined ordering system through proficient utilization of C++ programming.
- 2017 - 2018
San Roque National Highschool
- **Basic Film Editor**
Contributed significantly to the school presentation of 'Florante at Laura' by overseeing the filming and direction of key scenes. Additionally, played a pivotal role in the post-production process by single-handedly editing the entire movie.
